EFMP Family Support Core Competency Training Curriculum

WHAT IS THE CORE COMPETENCY TRAINING CURRICULUM?

The Core Competency Training Curriculum is a **centralized course catalog**, which outlines **standardized resources** for all EFMP Family Support providers **to develop and enhance the essential skills** to give **exceptional support** to military families with special needs. Learn **from anywhere at any time** from the following **core competencies**:

EFMP Delivery Approach and Skills | Military Family Programs | Community Outreach & Partnerships

Financial, Legal, and Medical Issues | Social, Health and Life Cycle Transitions | Special Education

HOW DO THE CORE COMPETENCIES RELATE TO PROFESSIONAL GROWTH?

Customize your curriculum and choose the trainings that are most applicable to your professional growth from a **menu of more than 65 offerings** and **3 custom EFMP staff trainings**!
