If the class is full at the time you register, we encourage you to sign up on the waitlist. We will contact those on the waitlist via email if there is an opening in the class.

A challenge code will be needed for all placement classes. If you are new to the dance program and your student has a year or more dance experience and is beyond entry level, inquire at the Youth Instructional Office for an evaluation.

Those wishing to drop a class must submit their two week notice request in writing to the Youth Instructional Office in-person.
