How to Register for a CLEP/DSST Exam

CLEP: CLEP registration is now a two-part process.

First, candidates must create an account, register for an exam, and receive a voucher registration ticket with CLEP College Board at <http://clep.collegeboard.org/register/exam>. Candidates must bring the corresponding CLEP registration ticket on the day of testing. (**Note: Active duty military members** will check a box that states they are eligible for DANTES-funded exams during the registration process. By selecting this and providing the necessary information the exam total will be \$0.00 when these candidates confirm the order at the end of the registration process. If eligible DANTES-funded exam candidates do not select this box during the registration process, it will associate the fee with the exam.)

Second, candidates must schedule an appointment time using the NTC Reservation System.

DSST: Candidates will schedule a testing time with the Ramstein NTC following the NTC Reservation System Instructions listed below. No pre-registration with DSST is required.

UMGC Europe - Ramstein NTC Reservation System Instructions

1. Visit:

<https://outlook.office365.com/owa/calendar/RamsteinNationalTestCenterReservationSystemCopy@umgc.edu/bookings> to get started!

2. First time users will need to create an account (minimal information is required). Returning candidates will log-in with their previously created usernames/passwords.

3. To create a new reservation, click on "Make a Reservation".

4. Under "Select Your Testing Location", choose "Ramstein" from the drop down list.

5. To change dates, click on the calendar icon to the right of "Ramstein " or one of the green arrows to either side of the displayed dates.

6. Locate the day/time you would like to test. Available spots will appear white. If your desired testing date/time is available, simply click on the white space to make a reservation.

7. Next, select your exam title from the drop down list and designate your service affiliation. Please do not adjust the beginning/ending date/time. Doing so will not allow you to create the reservation. Also, if you would like to receive a reminder via email, simply check the box and establish how long prior to the start of the testing session you would like to receive the reminder.

8. After completing the form, hit the "Create" button located on the lower right-hand side. A pop-up box will appear stating that your reservation has been successfully completed!

Important RNTC Scheduling Notes

Monday, Wednesday and Friday appointments are open to any CLEP/DSST exam reservation, except the Principles of Public Speaking DSST exam. The Principles of Public Speaking DSST is only administered on Thursdays at 08:30 (Pt 1) and 13:30-16:00 (Pt 2). Candidates interested in taking the Principles of Public Speaking DSST must schedule Pt 1 at 08:30 as well as a half hour Pt 2 appointment in the afternoon at 13:30, 14:00, 14:30, 15:00 or 15:30. Please note that only two candidates can take Pt 2 at the same time. Additionally, no other CLEP/DSST exams are given on Thursdays.

Please contact the RNTC via email at ntcramstein-europe@umuc.edu if you have any questions or require further registration instructions/details.
