PRODUCT DESCRIPTION: I am a self published author of children's books. You may view my work on Amazon. My latest are the Prince Henry series, set in Germany and originally written for my 3 year old son Henry. Another book is about a boy who moves to Germany and travels Europe with his family. Another is about a little girl who learns lessons about how to travel by plane. All books are for ages around 0 to 6, and are super well suited for military families as we are. Thank you for your consideration.
